Lieut. Colonel G. S. Eckhardt, GSC  
Chief, International Division  
Expositions Board  
Washington 25, D. C.

Dear Colonel Eckhardt:

In regard to your SECRET letter, reference "URINE MO.2 Copper" of 1 November 1948, authority is granted for Mr. Charles A. Sullivan of your office to make direct contact with [REDACTED], Acting Chief of the Economics Group, Office of Reports and Estimates, CIA, and with such other individuals in the Economics Group as [REDACTED] may designate.

25X1A9a

This contact is authorized for the purpose expressed in your letter, namely, to provide the means of enabling members of my staff to make available to Mr. Sullivan "any information which CIA has gathered relative to USSR production, consumption, and sources of imports of copper". This letter gives [REDACTED] authority to extend all practicable assistance to Mr. Sullivan in the latter's work of preparing a SECRET report on possible USSR stockpiling of copper.

25X1A9a

This authority extends to include matter classified SECRET or lower; it does not include TOP SECRET.

Sincerely yours,

25X1A9a
